

# SET TO CELEBRATE FOR FUND-RAISER

TO CELEBRATE a fund-raising milestone, a local retailer is throwing a celebration.

The Good Guys, Pakenham, is joining the Australia-wide milestone of \$5 million donated through the Good Guys Local Giving Program.

Dan O'Loughlin and his team at Pakenham will be celebrating this milestone by hosting Big Five for Five Day on Saturday 23 February, a celebration of the achievements of the program and

the vital contribution of local community organisations.

The local store has helped raise vital funds for Make-A-Wish Australia, Cardinia Combined Churches Caring, crisis accommodation, providing essential services to families in need and supporting Jamie Oliver's Ministry of Food.

"Our partners work tirelessly to deliver support to the community when they need it the most," Mr O'Loughlin

said.

"We have been able to give out over \$5 million thanks to our customers and have also given product support to many more local charities and community groups."

Mr O'Loughlin said he was proud of the achievements of his Local Giving Program and will celebrate five milestones that the initiative has helped fund in the local community.

"Come down and enjoy the festivities, and don't forget to

be ready for a big five for five," he said.

The Good Guys, Pakenham, will hold the Big Five for Five celebrations on Saturday 23 February at the store.

The store will host in-store activities, including doubling donations and dressing up, to help raise additional funds for local charities Cardinia Combined Churches Caring and Make-A-Wish Australia.
