VARIDESK PRO PLUS

The Varidesk Pro Plus is an affordable option, especially if you don't want to buy a whole new desk. The desk-top addition has two handles and a lifting mechanism that allows you to easily move from sitting to standing. \$457, au.varidesk.com

ERGONOMIC ESSENTIALS C15

This range allows you to change your position at the push of a button. The silver/beech style is standard. Pictured is the 1800mm x 800mm, \$858, ergonomicessentials.com.au

NEXTDESK SOLO PLUS

This is the electronic and eco-friendly bamboo-topped model I use. \$US\$997 (approx AU \$1270), nextdesks.com (contact NextDesk for shipping costs to Australia).

STAND-UP DESKS PACKAGE

This lets you choose an electronic frame (from \$715) to which you can add your own top, or select a frame and desk package (from \$885 for a 1600mm x 800mm desktop), stand-up-desk.com.au
